- Global Rank 950** in Google Kickstart Round F 2019.
- Global Rank 1371** out of 10000+ participants in Codeforces Round #692.

RELEVANT EXPERIENCE

BACKEND DEVELOPMENT INTERN - P2L Impact Learning Empowers Pvt. Ltd.

Oct 2020 - Jan 2021

- Made REST APIs for two projects from scratch using Django REST Framework.
- Tested the APIs and resolved bugs and issues.
- Aided in the integration of the APIs in the frontend of the application.

WEB DEVELOPMENT INTERN - GetSarthii

July 2020 - Sep 2020

- Made REST APIs for the application.
- Built a coming soon website from scratch.
- Worked on bug fixing and improving application performance.

PROJECTS

CODECHEF JSSATEN

- Codechef JSSATEN is the official website for the Codechef Chapter in my college.
- Currently, the website has been used by 300+ students in my college.

QUIZZIT

- Quizzit is an online quiz application with questions, score and leaderboard.
- The application keeps a track of users participating in the quiz and maintains a well defined leaderboard.

HACKCORONA

- HackCorona is an application that generates an online E-pass in PDF form in the Covid-19 situation.
- The application also verifies the details of the user before generating the E-pass.

ADDITIONAL EXPERIENCE

CODECHEF JSSATEN CHAPTER LEAD (Oct 2020 - Present)

- Codechef College Chapters are the programming clubs run by chapter leaders and mentored by Codechef.
- Conducted contests, workshops and doubt clearing sessions and also helped beginners get started with Competitive Programming.

DEVELOPER STUDENT CLUBS, JSSATEN (Feb 2019 - Present)

- Member of Google Developers program for university students to help them learn together.
- Contributed to projects as a Backend Developer and also conducted and facilitated workshops and events in the college campus.
